Minutes

The Mapping Committee of the Piatt County Board met on Wednesday, November 4, 2015, in Room 104 of the Courthouse. The meeting was called to order at 10:00 a.m. by Chairman Tom Dobson. Attending were: Tom Dobson, Ray Spencer, Al Manint, Randy Shumard, Randy Keith, Paula Bates, Eric Seibring and Keri Nusbaum. Leanne Brehob-Riley and Nicole Darby of the CCGIS, and Charlie Montgomery of the Monticello township highway department, and Callie McFarland from the City of Monticello were also in attendance.

MOTION: Spencer moved, seconded by Manint to approve the minutes of the October 7, 2015 meeting as written. All in favor, motion carried.

Old Business:

Drainage District Layer Update – Paula Bates stated this is still waiting on DevNet to be able to complete the update. Brehob-Riley said once they receive it, they will have a better idea of timeframe.

New Business:

Leanne Brehob-Riley made a presentation about upgraded GIS technology available. The ArcReader which is older technology requires more maintenance. ArcGISMap is web-based so can be updated more often and more easily, and has greater print flexibility. It has features available which would make it more user friendly, particularly for the road and bridge departments. If the county would decide to update, then the other entities in Monticello would need to update as well. She demonstrated the basic functions of the proposed system. There are things available we don't have now, including an app to update from the field which the county highway department would use.

MOTION: Manint made motion to move forward with the changeover to the newer system, seconded by Spencer.
Roll was called; all in favor, motion carried.

Safety:

There were no safety concerns.

Comments:

Keith asked Brehob-Riley if it would be possible to have an estimate to add a soil-type layer to the GIS maps by the next meeting. She said she would have it.

MOTION: Spencer made motion, seconded by Manint to adjourn at 10:32 am. All in favor, motion carried.

The next meeting will be at 10:00 am on Wednesday, December 2, 2015.

Respectfully submitted,

Keri Nusbaum
Piatt County Zoning Officer
