

By this motion, the Zoning Board recommends to the County Board that the Fees for Building/Construction Permits and Special Use Permits for WECS are to be as follows:

- **Fees for Building/Construction Permits for each individual Wind Energy Conversion System turbine shall be calculated at \$20/foot per tower hub height (distance from the center of the rotor hub to the top surface of the WECS tower foundation)**
- **Fees for a Special Use Permit Application for each individual Wind Energy Conversion System turbine over 50kW shall be \$300**
